DeconWasher™ Pro S Limited Warranty

5-year Limited Warranty

The DeconWasher Pro S is eligible for a single 5-year limited warranty option with the same preventive maintenance requirements as the Solo Rescue® 10-year limited warranty.

Program Requirements

- All required preventive maintenance services must be completed at roughly 20-month intervals.
- Maintenance must be performed by Rescue Intellitech or an authorized Rescue Intellitech service provider.
- Service records must be retained and provided upon request.
- Failure to complete preventive maintenance may void extended warranty coverage.
- Extended warranty must be purchased before expiration of the original factory warranty unless approved otherwise in writing.
- Warranty does not cover misuse, abuse, unauthorized modifications, improper installation, accidents, or acts beyond manufacturer control.
