

QUIC-MOUNT™ AXE HEAD AND HANDLE BRACKETS

MODELS H-AB AND VM-AHB

INFORMATION MANUAL

General Information:

- For use with 6 lb. and 8 lb. flat and pick head axes
- For best results, Models H-AB and VM-AHB should be used in conjunction (sold separately)
- Constructed of powder-coated cast aluminum for years of maintenance-free service
- Rubber strap is UV-resistant for dependable use in outdoor environments

Installation Instructions:

WARNING: Models H-AB and VM-AHB are **NOT** to be installed in the cabin of a moving vehicle.

- May be mounted horizontally or vertically to any flat surface
- Mount Model H-AB at four points using 5/16" hardware (not included)
- Mount Model VM-AHB at two points using 1/4" hardware (not included)

Operation Instructions:

- To store, slide axe blade firmly into Axe Head Bracket holder slot. Place handle into Handle Bracket and secure rubber strap
- To remove, release rubber strap and pull axe free of holder

VM-AHB
