

POLE EXTENSION

REACH POLE ATTACHMENT

This aluminium pole extension was designed to enable the simultaneous use of the reach pole Inflatable Buoy and a suitable attachment.

A centre hole in the buoy enables the pole extension to be quickly and easily attached to the buoy.

The extension incorporates a bayonet system to connect securely to both to the reach pole and to the additional attachment.

All Northern Divers reach pole attachments can be used with the extension.

Attachments that can be used with this extension:

- Grapple Hook
- Shepherd's Crook
- Go Pro Mount
- Water Rescue Jaws
- Narrow Hook
- Net Attachment
- Body Recovery Hook
