

Premium Attack Hose

Double Jacket – EPDM Rubber Lined

The new Kochek Premium Attack Hose line is made of the highest quality materials. All Polyester hoses are made in the USA and assembled to order in our Putnam, Connecticut, USA facility. Each hose features Kochek's tough, long-lasting aluminum alloy bowl couplings, well known for their superior performance and durability.

Main Features

- 100% all polyester double jacket with heavy duty EPDM rubber liner. (Optionally available with lighter weight TPU liner, please call for more information.)
- EPDM offers good resistance to chemicals and aging.
- Polyurethane (PU) coating shields the jacket from abrasion, flame and high temperatures. Product has excellent petrochemical, bacteria, and mildew resistance.
- Reverse twill weave inner jacket designed for optimum strength, maximum durability and smooth water flow.
- Meets and exceeds NFPA 1961 standards and UL-19 standards.
- Service temperature range: -30 F to 112 F
- Available in 1", 1-1/2", 1-3/4", 2", 2-1/2", and 3" diameters, and lengths up to 100'.

Connections

- Standard bowl couplings available with 1-1/2" or 2-1/2" NH and NPSH threads.
- Special threads available upon request.
- Other types of specialty couplings available upon request.

Colors & Finishes

- Hose is available in White and Yellow, other colors available optionally upon request.
- All color options are PU coated for consistent performance.
- Standard couplings are hardcoat black or natural, depending on availability.
- This industry-standard coating offers superb corrosion and abrasion resistance.
- Powdercoated couplings for color-coding are available upon request.

Warranty

- 10 Year Manufacturers Warranty
- Lifetime Warranty against tube delamination

Customizations

- Laser engraving and custom stenciling is available.
- Other non-standard coupling types, colors, and special threads are available upon request.
- Custom lengths available, please call for part numbers.
- Optional hose colors: Red, Blue, Black, Green, Tan, Orange
